

WELCOME TO the result of a series of meetings called Men's Ministry Swap Shop! In 2021 we met with numerous men's ministry leaders from around Alabama. We simply asked "What's working in your ministry to men?" We then listed 10 ministry related topics and let the guys fill up our peg board with their best ideas in those areas.

From guest speakers to t-shirts we hope that this resource helps you in making disciples of the men and boys in your area. If we can help you in anyway please don't hesitate to reach out!

Sincerely,

Larry Hyche
